West Boylston, MA 01583

Dear Dr Tashjian,

On behalf of the American Animal Hospital Association, I'd like to congratulate you and your team for successfully achieving re-accreditation. You remain among the top 15 percent of small animal hospitals in North America — a mark of distinction that clearly sets you apart from other veterinarians in your community. We recognize the role each member of your team played in this outstanding accomplishment and share your excitement and pride in your re-accreditation.

I am pleased to present you with the enclosed accreditation plaque to promote your continued status as an AAHA-accredited practice member. You are encouraged to use the AAHA logo throughout your practice to illustrate your team's commitment to your clients and their pets and dedication to AAHA's high standards of excellence.

Thank you for your dedication to the veterinary profession and willingness to raise the level of care you provide through your accreditation. We look forward to serving you in the future and hope you continue to take advantage of all of your accredited member benefits. If you have any questions or need assistance, please feel free to contact us at 800/252-2242.

Again, congratulations on your achievement!

Sincerely,

A handwritten signature in blue ink, appearing to read "John W. Albers", is written over a circular embossed seal or stamp.

John W. Albers, DVM
Executive Director
